

DOROTHY CIRCUS GALLERY: HIKARI SHIMODA & MILLO

FROM 14 JUN 2019 TO 13 JUL 2019

HIKARI SHIMODA & MILLO AT DOROTHY CIRCUS GALLERY ROME.

The Dorothy Circus Gallery presents a double exhibition of work by Japanese painter Hikari Shimoda and Italian street artist MILLO at its galleries in Rome and London.

Each artist will present a brand new collection of 10 to 12 works on canvas of various formats, described as “displaying in their unique contemporary visual style the stories, expectations and fragility of timeless generations and that of today’s teenagers.”

The gallery says: “Shimoda’s playful dichotomy and juxtaposition of horror and sweetness will intertwine with MILLO’s art, displaying the stories, expectations and fragility of timeless generations, while creating an intense and engaging intercultural dialogue on modern youth and urbanscapes.”
